To the Honorable the General Assembly of the State of Vermont now sitting your Committee to whom were referred the request of John Kelly agent to the Honorable John Jay respecting a Grant made by the Legislature of this State to said Jay beg leave to report that the House of Assembly resolved that the said John Jay and John Coyne in consequence of a petition from said Jay made by the Legislature of this State should have liberty to locate sixteen thousand acres of land on any vacant or unappropriated land in this State and that the said Jay and Coyne should pay nine pounds for each thousand acres of said land your Committee further find that the land in Castleton which is asked for by Mr. Kelly is vacant and unappropriated and that no person has any claim thereto except Gen.
